

US SPYDER RYDERS SPEED COAST CHAPTER BYLAWS

MISSION STATEMENT

The objective of the US Spyder Ryders SPEED COAST CHAPTER motorcycle riding club is to promote Can-Am On-Road Products, Spyders and Rykers, while having fun and doing good for our community and local charities. We accomplish this objective with positive interaction within our community while providing a safe and controlled environment for our members during all our functions. We pride ourselves in the involvement of many community and charitable events. We will have local rides, long distance rides, socials, and fund-raising activities.

BYLAWS

MEMBERSHIP

To become a member an individual must be a Spyder/Ryker Owner or Passenger and accept the Bylaws of the club. Members are required to partake in at least one club supported community service event and at least four group riding events per year to be classified as being in good standing. If the club supported community service event is a riding event that event will qualify as one of the four required riding events. Member may also sponsor up to two Associate Members per calendar year.

Professional and courteous behavior is expected from all members. This includes dealing with fellow members of the club or any affiliate of the club (i.e. sponsoring dealership, charity organizations, other clubs, etc.). Any member not acting in a professional or courteous manner will be subject to review by the Board for possible disciplinary action or membership termination.

Members with Seasonal Residence

As a member of the club, if the member is a seasonal resident within the geographical footprint of the club's home base the member's four group ride requirement will be prorated based on their time in the area. For example:

- 6 to 8 months of the year, a minimum of three riding events of which one must be a community service event.
- 3 to 6 months of the year, a minimum of two riding events of which one must be a community service event.
- 3 months or less, a minimum of one riding event, which may be a community service event. If the one riding event is not a community service event, then the member must donate to a club community service event and show proof of donation at time of membership renewal.

Reinstatement of Membership

Members that have allowed their membership to lapse for greater than 30-days or that have been seen in the past as a member not in good standing will be reviewed by the Board of Directors before membership is reinstated. Should the Board elect not to reinstate the member's membership any dues submitted with the membership renewal will be returned to the party that submitted them (i.e. either the member or the dealership submitting on behalf of the member).

Associate Membership

Associate Membership may be attained by a non-Spyder/Ryker owner via sponsorship of a club member that is in good standing. Associate Members are sanctioned to the same Bylaws as all members. Should the sponsoring member become a member no longer in good standing the associate member's sponsorship can either be transferred to another member in good standing or may reside with the club for the balance of the current year assuming the associate member is in good standing. The associate member will need to secure additional sponsorship for the next calendar year should they wish to continue their membership with the club.

MEETINGS

The general membership will meet each January to put forth Chapter business, to meet the requirements of the Annual Waiver renewals and Safety Briefings, and discuss any changes to be effective the following July 1. Election of Officers/Board Members will be held once every four years, during a July General Meeting. A Special Election meeting may be called if needed to fill any unexpected vacancies that occur outside of the normal election period. The Board of Directors will meet at least monthly to discuss and vote on any operating issues of the club which require their attention.
