

US SPYDER RYDERS FORT BRAGG Chapter Mileage Awards Program

As a member in good standing with the US Spyder Ryders – Fort Bragg Chapter, ryders are eligible to participate in the **Mileage Awards Program**.

What is the **Mileage Awards Program**? Simply speaking, members who **own** a Can-Am Spyder, Ryker, Trike, or 2-wheel motorcycle are eligible to be awarded mileage patches for “owner-driven” miles on their own motorcycle. The total miles driven is a cumulation of all bikes owned.

Award Intervals: Patches are awarded at the following intervals: 5k, 10k, 15k, 25k, and every 25k after that.

How does this work? The Spyder owner (driver) will track their mileage on their Can-Am on-road motorcycle. This is an honor system. There is no requirement to show proof of your mileage to a Club Officer. When you reach an award interval listed above, please let us know by either: emailing the club at (ussr.fortbragg@gmail.com), post your accomplishment on our Facebook Page at <https://www.facebook.com/groups/usspyderryders.fortbragg> or message the Club President by clicking on Contact at our website at <http://www.usspyderryders.com/nc-fort-bragg>

Here is an example to show you how miles can be accumulated:

Example: Sue purchased a 2017 RT that had 800 miles on it at purchase. When Sue reached 5800 miles, she could be awarded the 5k patch. *(5800 odometer miles – 800 previous owner miles = 5000 miles Sue drove)*

How much do the patches cost? The patches are **FREE at this time**. These are received from the US Spyder Ryders organization and do not cost anything to our full members to participate.

Please notify the Lead Road Captain when you have reached a mileage milestone, so he can order your mileage patch. Mileage patches are issued twice a year, in July, at the Meet & Greet, and in January at the Annual Membership Meeting.

If a member reports an initial mileage of 10,000 or more for an award, only the highest mileage reported initially will be awarded. Patches will not be issued for lower mileage.

In addition, a Ground Pounder of the Year award is issued to the ryder with the most riding miles for the year. The ryder must report their beginning and ending miles with a gas receipt and odometer reading in the same picture. Ryders can only win this award once every 2 years.

HAPPY RYDING!!
